Dear Patients,

I am writing to share an important update regarding my medical practice and my future plans for patient care.

Due to personal health issues that require my full attention and treatment, I will be taking an extended sabbatical beginning **August 31, 2026**. After careful consideration and consultation with my family and healthcare providers, I have also made the difficult decision to suspend all surgical procedures **July 1, 2026**. As a solo practitioner, I am unable to continue providing the level of care and availability that my patients deserve while addressing these health challenges.

This decision has not been made lightly. It has been a tremendous privilege to serve as your physician and to participate in your healthcare over the years. The trust you have placed in me and the relationships we have built have been among the most meaningful aspects of my professional life.

To ensure continuity of your medical care, I encourage you to establish care with another physician as soon as possible. Our office staff will assist with the transfer of your medical records.

We are directing our sports medicine patients to:

Ched Garten MD – Paragon Sports Medicine

3280 Howell Mill Rd NW Suite 250

Atlanta, GA 30327

Office Number 470-270-8978

Patients who may require knee replacement surgery can contact:

Greg Erens MD – Emory Orthopedics and Spine Center

1459 Montreal Rd. E Suite 305

Atlanta, GA 30084

Office Number 404-778-3350
